Chairman's Message

Dear Members,

I am delighted to share with you the Foundation of Rotary Clubs Singapore's (FRCS) 21/22 Annual Report. It has been a year of new possibilities. Thanks to the relaxation of Covid-19 restrictions and collective perseverance, the Foundation was able to hold a few noteworthy events.

Our first major event after the ease of restrictions is the inaugural joint fundraising concert with the Singapore Symphony Orchestra. It was a celebration of World Peace and Understanding together with my fellow Rotarians. I would like to give my sincere thanks to our donors for their generous contributions, and to the organising committee and staff who worked tirelessly to make this possible. Following the great success of our first partnership, I am looking forward to more collaborations with SSO in the upcoming years.

Secondly, the FRCS Eldercare and Caregivers Centre (ECC) had a successful grand opening on 25 June 2022, and the occasion was graced by Guest-of-Honour Mayor Low Yen Ling. My heartfelt appreciation to Mr Yeo Chuen Eng (Chairman, ECC) for spearheading this much-needed effort to benefit the elderly and caregivers, and Mr Daryl Toh (Centre Manager, ECC) for curating and driving the programmes for the members. I want to express my sincere gratitude to all of the donors who contributed to this Centre; Without you, we would not have been able to bring this project to fruition.

Lastly, the Marketing and Communications committee did an outstanding job creating a new corporate website for FRCS. The website is intended to be user-friendly and accessible, with an emphasis on providing information that is relevant and appealing to current and potential donors. This is an important step in our marketing strategy to build awareness of our work in the community. I am grateful to the committee and staff for their efforts in creating this valuable resource for FRCS.

We were able to achieve these milestones thanks to all our donors, members, staff, volunteers, Singapore Rotarians, and everyone who contributed to the growth of FRCS. Once again, thank you all for the fantastic year and I am looking forward to everyone's continued support in the upcoming year.

- (a) who may be expected to influence the Executive Head's or governing board member's (as the case may be) dealings with the charity; or
- (b) who may be influenced by the Executive Head or governing board member (as the case may be) in the family member's dealings with the charity.

A close member of the family may include the following:

- (a) the child or spouse of the Executive Head or governing board member;
- (b) the stepchild of the Executive Head or governing board member;
- (c) the dependant of the Executive Head or governing board member.
- (d) the dependant of the Executive Head's or governing board member's spouse.

⁴ Executive Head: The most senior staff member in charge of the charity's staff.

Governing Instruments

FRCS has a Memorandum of Association as its governing instrument.

Conflict Of Interest Policy

All Board members and staff are required to comply with the charity's conflict of interest policy.

The Board has put in place documented procedures for Board members and staff to declare actual or potential conflicts of interests on a regular and need-to basis.

Board members also abstain and do not participate in decision-making on matters where they have a conflict of interest.

Whistle-blowing policy

FRCS has in place a whistle-blowing policy to address concerns about possible wrongdoing or improprieties in financial or other matters within the charity.

Staff Remuneration above \$100,000

One staff received remuneration above \$100,000 for the financial year. No staff serve in the Board and FRCS has no paid staff, who are close members of the family of the Executive Head or Board members.

Reserve Policy

FRCS has a reserve policy for long-term stability of the operations and it ensures that there are sufficient resources to support the charity in the event of unforeseen circumstances. FRCS aims to maintain its reserves of up to at least 3 years of its annual operating expenses. The reserve level is reviewed yearly by the Board to ensure that the reserves are adequate to fulfil the charity's continuing obligations.

PDPA Policy

FRCS observes the protection of Personal Information in accordance with applicable data protection laws and regulations. The personal data protection policy ("Personal Data Protection Policy") is a set of internal policies and guidelines designed to ensure that FRCS meets the requirements of the Singapore Personal Data Protection Act (PDPA) and other applicable data protection laws and regulations.

Investment Policy

FRCS does not invest its reserves in any form except through fixed deposits with financial institutions.

Purpose of Restricted Funds

FRCS has disclosed its restricted funds in the Financial Statements, Note 16, page 26. Please refer to the Financial Statements for more information.

Honorary Secretary's Report

1.1 Staffing

With the departure of the General Manager in April 2022, FRCS engaged Mr Lai Bou Leong, as Executive Director of FRCS. He is the Past President of Rotary Club of Singapore West and has served Rotary in many service areas including as District Secretary. Bou Leong comes with a successful track record in establishing distribution channels and direct sales operations in the Healthcare and Life Sciences industry; developing and leading people with a keen eye on achieving profit and growth objectives.

FRCS embarked on a journey towards digitalisation with improved IT Operations and Security and an integrated Accounting, Human Resource, Donor and Volunteer management solution. FRCS hired Ms Florence Lau, Accounts & Administrative Executive in April 2022 to manage the accounting and finance processes and Mr Bernard Poh, IT Support and Fundraising Executive to oversee the systems migration and integration and provide administrative support to the fundraising committee.

1.2 Digitalisation and Implementation of IT System

The project funded by NCSS VCF started with migration of emails to iShine Citrix platform and the Human Resource Management System in April 2022. The migration of the accounting, Donor and Volunteer management system would be implemented towards the later part of the year.

1.3 HealthSafe Pte Ltd

HealthSafe is a social enterprise of FRCS. It is set up to provide automated cleaning and disinfection for patient care equipment. HealthSafe commenced operations towards the last quarter of 2021. Like any new startup, there were many new challenges to be faced.

Honorary Treasurer's Report

2.1 Policy

The compliance to Financial Reporting Standards in Singapore (FRS) and the related interpretations to FRS as issued by the Singapore Accounting Standards Council was adopted for the financial year FY2021/22.

2.2 Reserves

The total assets of FRCS as of 30 June 2022 increased to \$12.188 million from \$11.093 million primarily due to overall increase of \$0.923 million in donation efforts especially general donation and the programme funds. This has directly increased the total funds in our Foundation to \$11.033 million from \$10.563 million. The total Fund comprised of Unrestricted Funds of \$0.499 million and Restricted Funds of \$10.533 million. The current unrestricted reserve of FRCS against the total expenditure is 0.12.

During the year, fixed deposit remained the most appropriate form of investment for the cash as recommended by the Board of Directors.

The net surplus for the current year was \$0.470 million which was lower than the preceding year of \$1.648 million.

Total Grants received from the various Government bodies were \$3.562 million which was lower by \$0.338 million from the last financial year's Grants of \$3.900 million.

2.3 Income and Expenditure

The Income for the current year was \$4.715 million, an increase of \$0.117 million from the previous Income of \$4.597 million. The net surplus for the current year was \$0.470 million which was a decrease of \$1.178 million from the previous year's net surplus of \$1.648 million. Total Grant Income for the current year was \$3.562 million which was \$0.338 million lower than the previous year's Grant Income of \$3.900 million.

Total expenditure increased to \$4.245 million from \$2.949 million which was within expectations. The primary reason for this was the commencement of operations at the FRCS Eldercare and Caregivers Centre. Compared with the previous year, total staff costs were higher by \$0.554 million at \$2.710 million. FRCS Family Service Centre activities were mainly funded by both the government and FRCS.

The Year Ahead

Expenditure Plans

FRCS does not foresee any substantial increase in its expenditure for the next financial year.

Programmes

FRCS FSC is planning an Open House cum Community Carnival event in Q1 of 2023. During this event, we will be disbursing our SuperSTUDENTS! bursaries to school-going children from our low-income families. We have also started efforts to ramp up our capabilities in counselling, psychotherapy and mental health and will be rolling up new services in these focused areas to complement our existing case management framework.

FRCS Eldercare & Caregivers Centre (ECC) will continue with its current programmes that were rolled out this year. It will work on variations to reach a wider audience. ECC has plans to expand the reach out to benefit a larger group of silver agers and caregivers.

FRCS Learning Centre will continue to provide courses for the silver generation in its partnership with C3A and National Silver Academy. It will participate in the NSA Hybrid Roadshow with a 1-day onsite event, followed by a Virtual Roadshow in October.

The Learning Centre will work towards expanding the WSQ courses that it presently offers.

Committee Reports

3.1 Fundraising Committee

Chaired by Dr Gong Ing Sang, the Fundraising Committee has driven key projects to raise funds that will support the programmes at the FRCS Eldercare and Caregivers Centre (FRCS ECC), Youth-at-Risk, as well as the funding and implementation of service projects by Rotary Clubs, Interact and Rotaract Clubs in Singapore.

Please refer to the audited financial statements for donation amounts received and expenses incurred.

Hello, 2022: Calendar Project

Pages highlighting our service centres, some of our initiatives, and community efforts carried out by Rotary Clubs in Singapore can be found in the FRCS Calendar 2022.

Special thanks to Dr. Yap Lip Kee for the use of his copyrighted photographs, and artistic input in the design of the calendar.

SSO-FRCS Joint Fundraising Concert: Serenades with Andrew Litton & Chloë Hanslip

On 25th February 2022, we held our inaugural SSO-FRCS Joint Fundraising Concert with the Singapore Symphony Orchestra (SSO) graced by Mayor Low Yen Ling. It was a celebration of peace as Rotarians commemorated World Peace and Understanding Day in the same week. In the spirit of love and appreciation, the proceeds will help our FRCS Eldercare & Caregivers Centre in supporting our senior citizens, as well as allow the SSO to continue bringing memorable musical experiences to the community.

Mr Wong Kwai Wah and Mr Chew Ghim Bok having a conversation with Mr Chng Hak-Peng (CEO, SSG)

Marking the end of our first fundraising event with Singapore Symphony Orchestra, we had a cheque presentation ceremony where Mr Chew Ghim Bok (Chairman, Foundation of Rotary Clubs Singapore) presented the mock cheque to Mr Chng Hak-Peng (CEO, Singapore Symphony Group), representing the beneficiary. Tokens of appreciation were also presented to the lovely team at SSO. We look forward to making next year's concert a bigger success.

Flag Day 2022

The Foundation of Rotary Clubs Singapore (FRCS) has been allotted 16 April 2022 to conduct a Flag Day. The pandemic has made it more challenging than ever to raise funds for our Flag Day.

Due to Covid and Safe Distancing measures we were not able to conduct street collections of cash with coin bags, hence we used online donation methods to collect funds for this campaign.

3.2 House Committee

Spirit of Giving: Whisky Cask Project

The Spirit of Giving: Whisky Cask project was started in 2020 to commemorate the opening of Rotary House located at the FRCS Headquarters. District Governor RY2020-2021 Rajamohan Munisamy & Leonica Brocal donated towards the purchase of the Single Malt Whisky Casks. The whisky was given to donors in recognition of their donations towards FRCS's charitable causes.

3.3 Fellowship Committee

We aim to bring Singaporean Rotarians together by organising social events and activities. For the year, the committee organised the following:

HPV & You: Debunking the Myths of HPV

On 26th October 2021, our speakers - Dr Grace Huang and Dr Jonathon Chong from DTAP Clinic spoke on how HPV (human papillomavirus) can affect us. Attendees understood what HPV is, why it is important for Men to know about HPV, HPV in women, cervical cancer & pap smear, and how HPV affects children.

Wine Appreciation Class

Our second series Wine Appreciation Class was held on 30th December 2021, led by Rotarian PP Paul Keng. He has generously sponsored the wine and glasses. Everyone who attended gained more knowledge about different types of wine and their food pairings, and enjoyed the wine and fellowship thereafter.

Blood Donation Drive

On 1st April 2022, we partnered with the Singapore Red Cross on our first ever Blood Donation Drive, doing our part for the community.

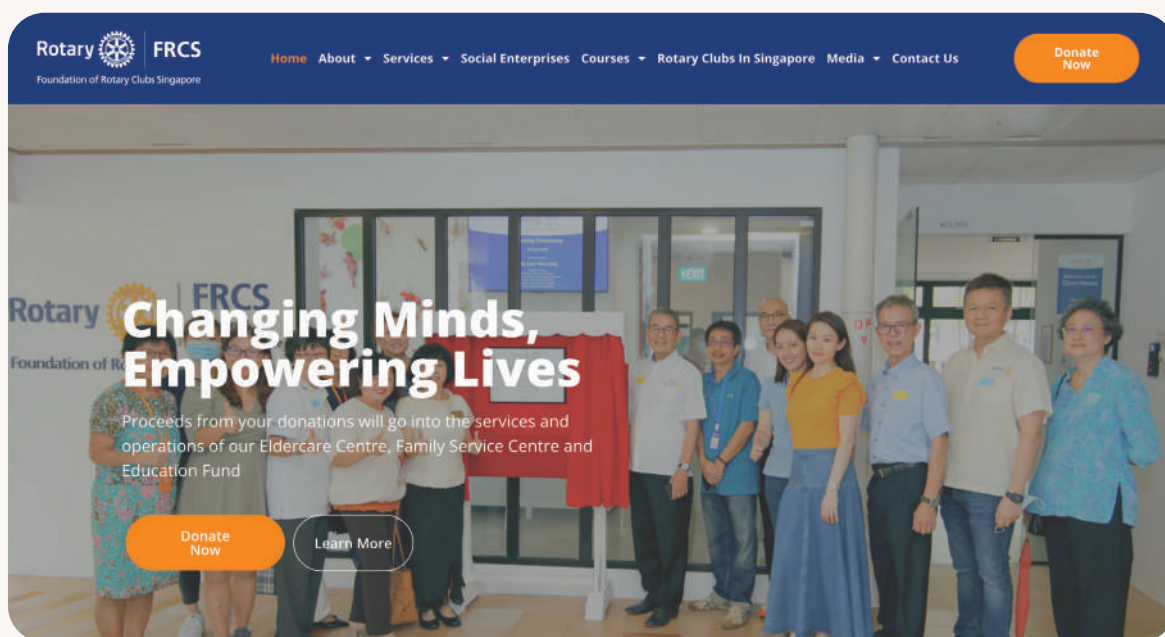

Get-To-Gather Karaoke Night

This event was well received, all attendees had a great time. We had a good buffet spread, plenty of drinks, dancing, singing, great conversation and fellowship. Many are looking forward to the next karaoke night.

3.4 Marketing & Communications Committee

FRCS Website Revamp

The FRCS website underwent a refresh to better reflect the Rotary brand in Singapore, improve the user interface and experience, highlight the Foundation's service centres and fundraising activities, as well as to introduce credit card donations which are pivotal in our progress towards digitalisation. One-time credit card donations can now be made through our website's donation page, and Monthly donations will soon be made available. We engaged the wonderful team from That's IT and Techzu for this redevelopment. The project was

driven by Rose Yap, who is in charge of digital marketing and communications at FRCS. She was supported by the Committee's Chairman, Mr Heinrich Grafe and Vice-Chairman, Ms Elsie Chua, along with Mr Wong Kwai Wah. The new website officially went live in March 2022.

Social Media Efforts

To expand our digital reach, we are increasing our Social Media efforts by promoting our fundraising campaigns and latest activities on various platforms. We currently have 449 followers on Facebook, 891 followers on Instagram, and 113 followers on LinkedIn.

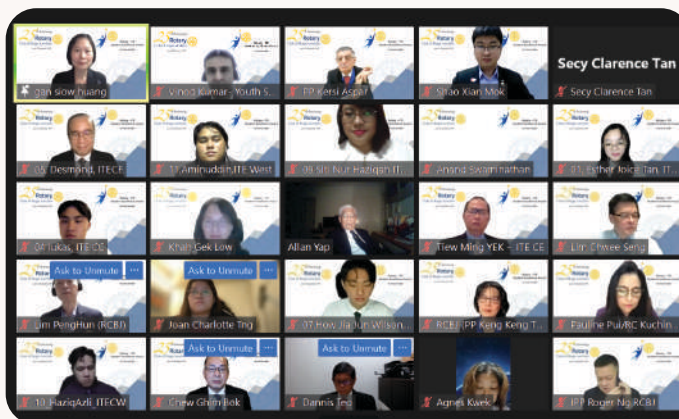

3.5 Funds Admin Committee

Education Fund Rotary Club of Changi

The RC Changi Tan Leong Teck Education Fund provides bursaries to financially challenged students who show good character and academics. This will help the students with their educational and/or living expenses and encourage them to excel. No student should be denied an education because of financial constraints.

Rotary-ITE Student Excellence Award Fund Rotary Club of Bugis Junction

The Rotary-ITE Student Excellence Award is a project initiated by the Rotary Club of Bugis Junction (RCBJ) since 1998. It is given to recognize outstanding ITE students who demonstrate all round excellence in academics, leadership, personal conduct and service to community. The purpose is to promote and imbue the importance of striving for excellence during their vocational training and in future work.

A tea session was held at ITE on 7 Nov 2021 and the awards were presented by CP Allan Yap. The awardees were also recognized during RCBJ's 25th Anniversary and Installation held virtually on 27 Nov 2021.

Share-a-Pot @ HOME

Rotary Club of Singapore

Share-a-Pot brings seniors out of their homes into the community to share a pot of nutritious high protein soup and to engage in physical exercises together as a group, breaking social isolation, building community bonds, strengthening physical conditioning and optimal nutrition.

However, the pandemic has put an abrupt stop to the program in the past year, leading to even greater social isolation and consequently negatively impacting mental and physical health. The Rotary Club of Singapore has partnered with Yishun Health's community health program, Share-a-Pot, as our Major Project for the RY 2021-22. The project seeks to pandemic-proof the program. Called Share-a-Pot @ HOME, this project seeks to bring the program to the beneficiaries to their homes while abiding by safe management measures.

Fundraising was completed within the first six months of the Rotary Year 2021/22. A total of \$112,522 was collected to convert the existing 32 physical sites into home-based ones. Through our partnership with Foundation of Rotary Clubs Singapore (FRCS), we are thankful for ToteBoard's matching of \$45,008.80.

In March 2022, a new Rotary Club of Singapore Share-a-pot site was started at the FRCS Eldercare and Caregivers Centre (FRCS ECC). This is currently taking place every Tuesday morning where a group of volunteers are engaging elderly residents in the neighbourhood with nutritious soup, exercise and bonding.

As we emerge from the pandemic, more in-centre activities will begin to take place, keeping the seniors healthy and engaged.

A Loaf of Love @ Teck Ghee

Rotary Club of Singapore North

This ongoing community project of RCSN was carried out in partnership with Teck Ghee Community Club since 1 Oct 2015. This was upgraded to be a Foundation project from July 2017. The project aimed to distribute bread and grocery items on a weekly basis to 300 needy senior residents that reside in one-room HDB rental flats in the neighbourhood. They were shortlisted by the social welfare service of the Teck Ghee Community Club.

A donation campaign in partnership with FRCS in 2021 raised \$10,040. We would like to thank ToteBoard for the matching of \$4,016.

The distribution takes place every Wednesday from 2.45 pm. The needy residents would collect from the five distribution centres at the Teck Ghee Neighbourhood. Joining Rotarians includes members of public and Rotaractors from ITE College Central.

The Rotarians would help pack the food items into the plastic bags and help with the registration and distribution. Some Rotarians would go to the homes of those that have difficulties collecting from the centre. There are about 20 of them and are usually those that have mobility issues or are too frail to walk. These visits help the volunteers to enquire about their well being and gain a firsthand experience of the impact of this project on the community. The project usually ends around 3.45pm.

In appreciation for our Club's participation for this project, we were acknowledged at the Lunar New Year Dinner event by the Member of Parliament for the Teck Ghee Constituency for the past few years. This project also won the Rotary District 3310 Best Community Project – Merit RY 2018-19. It is also featured in the Rotarian magazine which has a global circulation of more than 1 million readers.

Healthcare

Rotary E-Club of 3310

Celebrating our Healthcare Heroes

To acknowledge and appreciate the relentless efforts of our nurses towards our nation building, their contribution is an integral and very important pillar of Singapore's progress. Project Chair, Rotarian Gabrielle Guo of Rotary E-Club 3310, with the collective efforts of 23 Rotary Clubs in Singapore and Rotaract Club of NUS, we offered 33,000 Gerber Daisies to 79 Hospitals and healthcare institutions in the public and private sectors. The virtual performance concert 2021 drew participants from our District and our neighbours. We raised funds for nursing students from low income families studying at the National University of Singapore's Alice Lee Centre for Nursing Studies (ALCNS). The funds raised benefit ALCNS Students Bursary Fund to help 2 to 3 students. The project received the District Best Vocational Service Project (Bronze Award) from DG Dolly Yeap for RY 2021-22.

Breakthrough in Learning Difficulties - Irlen Method

As part of Rotary's commitment to serve to change lives, Rotary E-Club of 3310 has invited the partnership of Spectra Secondary School to embark on a project with the use of Irlen Lens to treat students with Visual Processing Disorder (Irlen Syndrome), a neurological disorder where the brain has difficulty processing certain wavelengths of light.

Irlen Syndrome can be treated with the use of Irlen lenses which filter out the wavelengths of light that stress the brain. This alleviates the symptoms of Visual Processing Disorder, enabling the individuals to process visual information more accurately and comfortably.

To date we have sponsored 11 students from Assumption Secondary School and Spectra Secondary School with Irlen lenses at a cost of \$500 each. We are targeting 50 lenses for 2022.

This project was also recognized during the District Conference and received the District Community Service Project (Merit).

Education

Project Starfish

FRCS Special Projects Committee with Project Starfish's teacher volunteers

Project Starfish is a volunteer-run tuition program for youths who are withdrawn from formal school. Project Starfish runs free classes every Monday, from 9.30am - 1.30pm at the Foundation of Rotary Clubs Singapore (FRCS) Learning Centre in Peninsula Plaza. At the end of the program, the students sit for the N(T)-level examinations, which will enable them to pursue their studies at academic or vocational institutions such as ITE.

FRCS has been an avid supporter of Project Starfish from 2019, we helped them register as a society in 2020, as well as providing them with a spacious and well-equipped classroom to run the program. We have an army of Rotary members in our committee who are dedicated to raising funds for the Project Starfish organisation.

Black-and-White themed graduation ceremony in March of 2022

Students and teachers from the Starfish project

This year, a total of 53 students were accepted. The organisation have also grown into a loving community of over 20 committed volunteers. They help with tutoring, planning, administrative work, fundraising and research.

We are heartened to say that 7 of the graduated students have returned to Project Starfish as volunteers, 2 of which are regular teaching facilitators.

Rotary Happiness Fund 2021 - 2022

The Rotary Happiness Fund, established by the Rotary Club of Jurong Town, focuses on developing Youth leadership and bonding with needy Elderly in Singapore. It is now managed and promoted by FRCS especially for Rotary, Rotaract and Interact Youth driven intergenerational projects.

X'mas Event

In December, the Rotaract Club of Singapore held a X'mas Event for 25 elderly residents of Ling Kwang Home. They watched comedy videos to reminisce about the old days and participated actively in a colouring contest and lucky draw segment.

SA Deaf & Terrarium Making Workshop

In March, the Rotaract Club of Singapore – in collaboration with Party Mojo, SIT Sign Language Club and SA Deaf – arranged an hour of mini games over zoom with 15 beneficiaries from SA Deaf with the aid of translator and facilitators from SIT Sign Language Club. This was followed by another hour of terrarium workshop where participants get to be creative in setting up and decorating their very own terrarium.

Walk in Nature with Seniors

In May, when restrictions had eased sufficiently, the Rotaract Club of Singapore organised a Walk in Nature with Seniors where Rotaractors and 11 seniors aged between 60 -75 from the Orange Valley Senior Activity Centre were taken for a short tour at Marsiling Park. This was to encourage seniors to stay active and connected to society.

We look forward to restrictions easing further in the new year and that all the Rotary Clubs in Singapore positively encourage their youth organisations to undertake many Intergenerational projects and to make much more use of the support of the Rotary Happiness Fund in the coming year.

Our Centres

FRCS Family Service Centre

Full details of the FSC's case statistics, activities, and programmes, as well as other key highlights and achievements for the year under review can be found in its Annual Report for Financial Year 2021/2022. The FSC's annual report, prepared by the staff team, is enclosed with this Report. The online version can also be viewed on the FRCS FSC's website at www.frscfsc.sg.

Impacting Individuals and Families

Between 1 April 2021 and 31 March 2022, FRCS FSC managed 763 cases. While cases with mainly financial and subsistence needs remained as the top presenting issue managed by the FSC, other cases with presenting concerns of emotional needs, shelter and accommodation, and family violence were also on the increase.

Making an Impact for the Community

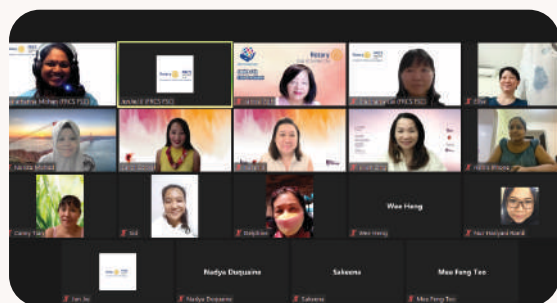

As a member of the Clementi Family Violence Working Groups and the Police Training Work Group, the FSC was one of the facilitators to train police first responders to identify, manage risks, engage, and support victims of family violence more effectively.

In May 2022, the FSC was invited by Muslim Converts' Association of Singapore to give a virtual talk on dealing with domestic violence. The FSC shared about impacts of family violence, the available avenues for help and how the community can play its part to address violence at home.

For the period of 1 April 2021 to 31 March 2022, SG Cares Volunteer Centre @ Clementi operated by the FSC deployed more than 600 volunteers to support volunteering opportunities offered by the social service agencies within Clementi town. These volunteerism initiatives impacted more than 1,700 service users under the care of the various charity organisations.

Strengthening Partnerships with Rotary Clubs

Enhance Your Image

Group photo with participants

Over the financial year, the FSC continues to strengthen its partnership with Rotary Clubs in serving the community. Rotary Club of Suntec City organised an online talk targeting women – Enhance Your Image on 5 November 2021. 20 participants attended the talk to learn about colours and using the right colours in dressing to enhance their image. Rotary Club of Suntec City also canvassed for sponsorship from Lynk Artisan Pte Ltd, where participants each received a bottle of hand sanitizer infused with essential oil.

Go With the Flow

Rotarians and volunteers posing with the care packs before they commence the deliveries

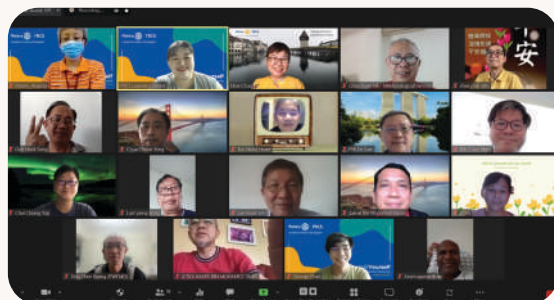

Canvassing for community's support at FRCS FSC (Clementi)

The FSC partnered Rotary Clubs of Singapore East and Tanjong Pagar to be one of the collection points for members of the public to donate sanitary pads at the FSC's Clementi and West Coast offices. The initiative which started on 13 December 2021 is a collaboration between both Rotary Clubs and Go With the Flow Singapore, which has successfully garnered support from the community with more than 500 packets of sanitary products collected to date.

On 26 June 2022, Rotarians from Rotary Clubs of Singapore East, Tanjong Pagar, Queenstown and Singapore West as well as volunteers from SG Cares Volunteer Centre (VC) @ Clementi came together to pack the sanitary care packs which were then distributed to the FSC beneficiaries. The SG Cares VC @ Clementi also reached out to its community partners to share the care packs with more beneficiaries in need.

FRCS Learning Centre

FRCS Learning Centre carried out courses for seniors from August 2021 to March 2022, such as Keep your Money Safe, Decoupage Art, and Developing Powerful Youth Mentoring Skills. The courses were only resumed after the Covid-19 situation improved and seniors were more comfortable in attending face to face classes.

We were also able to convert one of our face to face classes to one that could be carried out completely online. In collaboration with C3A and the National Silver Academy, our course on Keep Your Money Safe - Avoid Scams & Thefts on your Retirement Funds was subscribed by NEA (National Environment Agency) for all their staff who qualified. These resulted in 14 online classes conducted by Elsie Chua who curated and conducted this course for seniors for NEA during this period. This course which originally started as a half day workshop in 2019 was expanded to a full day course in 2020 before the Covid19 pandemic hit and is the first course that we converted into a e-learning platform successfully for seniors.

FRCS Eldercare & Caregivers Centre

Fostering Kampong Spirit

Mayor Low Yen Ling unveiling the plaque, marking the official launch of FRCS Eldercare and Caregivers Centre.

FRCS Eldercare & Caregivers Centre (FRCS ECC) celebrated its official opening on 25th June 2022. It is a division of the Foundation of Rotary Clubs (Singapore) Limited (FRCS). Since ECC's soft launch in January 2022, the centre's membership has been increasing. The Centre now has 130 registered members.

It will serve as the go-to-point for all seniors in the community for active ageing activities, social enhancement programmes, befriending opportunities and information for support care.

For caregivers, it is a place to seek information and education on caregiving, join support groups to share best practices, receive advice and find resources to aid their elderly who may need special care. Since March 2022, 10% of caregivers regularly participate in various activities at our centre, namely Muscle Fitness, Knowledge Sharing and Creative Programmes.

The Centre has since introduced programmes designed to improve physical, mental and intellectual well-being. Its aim is to enhance the well-being of elderly residents and their caregivers in Goodview Garden and Bukit Gombak to ensure they live healthier lives. Since April 2022, ECC has had a sign up rate of 75% by its members participating in the centre's weekly programmes. Amongst the programmes at ECC, 2 stand out and are frequently fully subscribed. They are 'Share a Pot' and 'Arts Class'. Family members report that their loved ones experienced new-found joy since participating in these programmes.

FRCS ECC aims to work with the 23 Rotary Clubs in Singapore with more than 800 members involved in community service and volunteer work.

ECC Koi Project

The Koi Project is an initiative that aims to promote opportunity for self-discovery and self-expression. Creative projects can be empowering because it is the process of creating, rather than the finished project, that provides a sense of accomplishment.

Fitness Activities

Regular exercise can help seniors stay independent and prevent many health problems that come with age. The ECC team combines flexibility and strength training, and incorporates fun into otherwise regular exercises.

FRCS ECC has also embarked on various partnerships and pilot programmes with several Rotary Clubs and community partners such as National University of Singapore and National Library Board. As Singapore's population is ageing, there is a need to ensure that seniors have a place in the community to enjoy an active lifestyle and receive support when needed.
