

# SIT-FRCS Mangrove Conservatory

1 Nov 2024 to 31 Mar 2025

Funds raised is in support of the Mangrove Conservatory launched by Singapore Institute of Technology. The mangrove conservatory will serve as an integrated platform combining community outreach, education, and applied research to improve climate resilience with mangrove conservation and to develop future-proof mangrove strains for the region. The mangrove conservatory will be situated at the NParks Heritage Trail next to the upcoming Punggol Coast MRT Station and SIT Punggol Campus.
