

CLIMATE CHANGE CONVERSATIONS 2026

THRIVE: Building a Youth-centric Climate Resilient Community

Organized by the Rotary Club of Marina City, this Earth Month flagship unites youth, families, NGOs, and innovators to drive real climate action.

"Thrive: Building a Youth-Centric Climate Resilient Community" (2026) will feature nature walks, sustainability fairs, hands-on workshops, and inspiring talks—creating an energetic platform for learning, collaboration, and impact.

Fund Raising Period

**11th December 2025 to
15th February 2026**

Organized by the Rotary Club of Marina City, this Earth Month flagship unites youth, communities, NGOs, and innovators to drive real climate action.

"Thrive: Building a Youth-Centric Climate Resilient Community" (2026) will feature nature
